# SignWriting Workshop La Jolla 2013

## Sessions & Lodging

Each session is flexible and some sessions may blend with each other.

### **Session 1, July 1** 9:00am-12 noon

#### **Review "SignWriting Basics"**

For all levels. Everyone receives the SignWriting Basics Manual. Advanced signwriters will benefit more from this session than they may imagine ;-)

### **Session 2, July 2** 9:00am-12 noon

#### **Read SignWriting Literature**

Learn to read ASL Wikipedia articles, ASL children's stories, ASL books, and learn to read other sign languages too. Learn to "sign out loud" while reading, and learn to read ASL silently, for speed and comprehension. Speed reading in ASL is a skill.

### **Session 3, July 3** 9:00am-12 noon

#### **Write SignWriting by Computer**

Individual signs and full documents can be written on the Internet. Bring your laptop. Computers will also be there at the workshop, and there is WiFi. Several software programs will be introduced, including how to post Wikipedia articles.

### **Session 4, July 4** 9:00am-12 noon

#### **SignWriting Hand Symbols**

It will be fun to see photos/animation of Hand Symbols, and discuss palm facing and hand/finger directions. There are lots of hand symbols!

### **Session 5, July 5** 9:00am-12 noon

#### **SignWriting Movement Symbols**

Adam Frost has developed excellent videos that teach & review movement & contact symbols. New materials will be introduced.

### **Session 6, July 6** 9:00am-12 noon

#### **SignWriting Facial Expressions, Body Movement, Timing & Dynamics**

Learn SignWriting Facial Expressions, Head/Body Movement, even dynamics and timing of movement. You will be amazed so much can be written!

### **Session 7, July 7** 9:00am-12 noon

#### **SignWriting Handwriting**

You don't need a computer to write...just a pen and paper. This last session gives you a useful daily tool for jotting down notes in ASL for personal use.
